2.

Freedom for Poland is dawning,
Freedom for many a year,
Have faith and power to conquer
Be without doubt, without fear.

The day of revenge is approaching
For us who suffered so long,
bis. { To arms! Rise brothers, obeying
The call of the soldiers' song!

3.

Down with oppression and bondage!
The ruthless foe we defy,
Emblem of Freedom and Justice
Our Polish Eagle will fly.

The day of revenge is approaching
For us who suffered so long, etc.

2.

Zorza wolności się pali
Ńad Polską idących lat;
Moc nasza przemoc powali,
Nowy dziś rodzi się świat.

Godzina pomsty wybija
Za zbrodnie, męki i krew
bis. { *Do broni, Jezus Maryja!*
Żołnierski woła nas zew.

3.

Za naszą Wolność i Waszą
Bracia, chwytamy za miecz.
Śmierć ani trud nas nie straszą,
Zwycięski orle nasz leć.

Godzina pomsty wybija
Za zbrodnie, męki i krew, etc.

POLAND

WAS FIRST TO FIGHT

As President Roosevelt said: "POLAND is the inspiration of the world."

POLAND went to war for a principle. She rejected the unethical and unrealistic policy of appeasement, which would have led to world enslavement.

POLAND is the only country in Europe that has never had a Quisling.

POLAND stands sixth in the armed forces of the United Nations — and has more than 150,000 men in the field.

POLAND's divisions fight side by side with the Americans and the British in Italy. Her army participated in the defense of Tobruk and fought in Poland, in France, in Norway, in Libya, in Sicily.

POLAND's navy helps to convoy arms and ammunition to Russia. It has fought on all the Seven Seas and participated in the evacuation of Dunkirk.

POLAND's air force is every day over Germany. It played a decisive role in the Battle of Britain, shooting down one out of every eight enemy aircraft destroyed in that battle. The Polish air force has 14 squadrons and is stronger than the combined air forces of France, Czechoslovakia and Greece.

POLAND's armored corps is ready in Great Britain with the American and British forces for the invasion signal.

THE POLES fight on in occupied Poland. They conduct organized warfare against the German invader. They destroy German supplies and wreck German trains behind the Russian front. They sabotage the German war effort. They force Germans to keep large garrisons in Poland.

THE UNDERGROUND POLISH STATE directs the resistance of the civilian population. Every man, woman and child in Poland is our ally. They will never give up.

POLAND FIGHTS ON!
