64 PAGES, FULL MUSIC SIZE. PRICE 5s.

"There are features in this work of uncommon merit, but we shall say enough if we recommend it unreservedly to all who seek a manual of instruction well arranged, intelligible, and effective."—MUSICAL WORLD, *April* 23.

"While every care has been taken to cull all that was useful from the old régime, much that is altogether modern and thoroughly practical is here to be met with for the first time. In particular, it seems to have been the author's purpose to lead the student by gentle degrees, and to insure that one thing shall be properly acquired before another is attempted."—THE QUEEN, *April* 30.

"The aim of the author seems to have been to supply as much information in as few words as possible, while aiding and directing the self-intelligence of the learner, and he certainly has succeeded admirably."—EXAMINER, *April* 30.
