THE HAWLEY EDITION
OF
Popular Pianoforte Classics.

The principal features of this Edition are:—

1. The key is rendered clearer by better choice of key-signature, changing this when necessary to avoid accidentals.
2. A more systematic use of accidentals, avoiding unnecessary contradiction of these.
3. The avoidance of needlessly abstruse time-signatures.
4. The writing out of *ad libitum* pasages and *cadenzas* in notes of definite instead of indefinite length.
5. So far as is practicable each printed line comprises one musical phrase of four or eight bars.
6. A definite and systematic use of expression marks and a more orderly marking of fingering.
